

St John's Lutheran Kindergarten

CHRIST IS ALL

Kinder: French Program

French is incorporated into everyday learning experiences to give children meaningful opportunities to use the language themselves. Children learn French language and culture through play, art, music, singing, dancing, stories, games, and discussions. The kindergarten also participates in the ELLA Program (Early Learning Languages Australia), a digital, play-based language learning program for preschool children provided by the Australian Government. <https://www.ella.edu.au/>
