Dear St John’s School Community,

It was encouraging to see so many parents attend our Years 1 - 6 information sessions last week. We were trialling a different approach and we have since received some positive feedback that we will consider.

Thank you to our staff and families for braving the cooler conditions last Friday evening for our St John’s Family Picnic on the Green. Congratulations to our Senior students for organising some games to entertain the crowd.

Our School will be represented in the annual Pako Festa Parade on Saturday morning. This is another opportunity for our School to be involved in community events.

A reminder to all students from Years 1 – 6 that swimming commences on Monday.

There was action a plenty this morning as a large crowd gathered to cheer on our Prep - Year 2 students at the Junior Sports

Our new teachers will be installed at St John’s Lutheran Church in Yarra St as part of our 9:00am service. All are welcome to attend

The Lord takes pleasure in his people; he honours the humble with victory. - Psalm 149:4

Comment : - With the Lord on your side - how can you lose? If you are a blessing to Him in your life, be prepared to receive an abundant blessing.

With God’s Blessings,
Brian Schultz, Head of School

## Devotional Thought

This week in Chapel, we watched an animated version of the story, “Enemy Pie” by Derek Munson.

‘It was the perfect summer. That is, until Jeremy Ross moved into the house down the street and became neighbourhood enemy number one. Luckily Dad had a sure-fire way to get rid of enemies: Enemy Pie. But part of the secret recipe is spending an entire day playing with the enemy! In this funny yet endearing story, one little boy learns an effective recipe for turning your best enemy into your best friend. Accompanied by charming illustrations, Enemy Pie serves up a sweet lesson in the difficulties and ultimate rewards of making new friends.’

Each day we all face difficult moments and situations. Jesus loved his enemies. Make him your example.

Choosing to love and pray for those who persecute or mistreat us can often be a difficult task.

We are to love all people regardless of how they treat us. Although some may set themselves up as enemies against us, they are people in need of a saving relationship with Jesus and an understanding of His Lordship in their lives. The Word of God instructs us to love them and pray for them and build on our relationships.

With You, all things are possible.

_Brian Schultz, Head of School_

All Year 1 students and students new to the School, will receive a new House coloured swimming cap at no cost before their lessons commence. School Captain’s News

We have been noticing that students on the Friendship seat are being included at play times. Thanks to those students who are looking out for others.

Something we might need to improve on is playing with each other without grabbing, tackling or pushing when we are playing games.

BOUNCE Resilience Program

This year St John’s is providing specific resilience coaching by involving Years 5 & 6 students in the BOUNCE Program and by inviting the parents/carers of all Years 3-6 students to a 2 hour interactive session. This session looks at way in which we can build resilience in our children through play, role modeling and conversation. The program is run by facilitators from BATFORCE and will take place on Thursday March 17. The student session is from 11.30pm – 1.30pm and the parent session is in the evening from 7pm -9pm. The best outcomes for resilience are when the parents and students both participate in the program. Information packs will be sent home with a request to indicate whether or not you are able to attend. Please direct any questions to Angela McLean

Harmony Day/ National Day against Bullying

This week you will have received a handout inviting families to join with the students to recognize Harmony Day. This day will be interwoven with themes around bullying but the main focus is on building a community of belonging and inclusion and celebrating all our similarities and differences. The students are invited to DRESS UP in any cultural costume, wear a colour from a country they identify with or wear orange – the colour of Harmony Day. Additionally, families are invited to put together a stall with information from a culture they identify with – this stall will be visited by all the students. The day will end will an assembly. Please read the full handout for all details and return the slip to the office if you are able to participate.

KIDSMATTER

Thank you to all families that completed the Kidsmatter survey – this information will help the School to identify its strengths and to target areas where we could improve. The information is formative in the Kidsmatter process as the action team is influenced and guided by the contributions of staff, students and parents. If you have yet to participate in the survey please click on the link and complete.

2016 MAD Hatters Team

We would like to introduce you all to the 2016 MAD (Making a Difference) Hatters group. This year Emily, Chloe, Jasmine, Vedanshi and Mila who are all part of the 2016 Year 6 Leadership group, will lead the MAD Hatters team. The purpose of the MAD Hatters team is to run activities throughout the school and raise money for a variety of charities and causes.

Our very first event will take place on March 18th. This event is the Harmony Day / Multicultural Day which will allow students and their parents to showcase and view all different displays representing many different countries of the world. We encourage everybody to participate in this event and prepare a display representing their cultural backgrounds which can be viewed by others. Students are asked to bring a gold coin donation to help raise money for an important cause. More information about this will be shared over the next few weeks.

Art News

In the art room the Junior classes have been making colourful fish to follow up on their visit to the aquarium. You can see some swimming outside the Art Room. The Middle classes "Minioned themselves" and created their inner Minion because "students at St John's are one in a Minion!"

The Senior classes have been working on various forms of self-portrait - the Year 5's are doing a silhouette and filling in their interests and personalities, while the Year 6 students are doing an abstracted self-portrait. All of these will be displayed as part of the Harmony Day activities.

There are some lovely pieces of art work displayed near the Office if you would like to have a look:

**J3 Seahorses** by Eleanor, Grace, Sam and Tilda.

**J2 Jellyfish** by Louella, Emilia, Mylee and Andrea.

**Birds** by Juliet (J3), Sophia (M1), Sarita (M1) and Sarah (M1).

**Art Awards** go to Sam (J3), Georgia (J3), Mannat (J2), Juliet (M3), Claudia (S3), Vedanshi (S1).

Playgroup News

We've had a great start to the year at Monday Mingle, catching up with some 'old' friends and meeting new friends too! We are keeping busy with lots of craft and play, and are learning to play some group games together too. As we move into March, we'll be celebrating the arrival of autumn with some leafy craft and stories. Please come and join us if you have some time on a Monday morning, we'd love to see you there!

For further information, contact Callie or Vicki
**Lunch boxes & Drink Bottles**
Can we please ensure that a piece of fruit is included in the children's lunch boxes. We encourage a healthy eating program and usually start snack with eating our fruit. Ideally we encourage small amount of prepackage food. **PLEASE BRING SNACKS ON FRIDAY SESSIONS**

**Water bottle – WATER ONLY!** We are seeing fruit juices etc. We only want water to be consumed at Kinder.

**Nut Free Kinder**
We have had a few cases of peanut butter in sandwiches. Please try not to put this spread and other nut spreads like Nutella in the sandwiches.

**Parent and Friends - Kindergarten Representatives:**
The Parents' and Friends are seeking a representative from Red and Yellow group, to represent the Kinder at these meetings.

The Parents’ and Friends provide a vital role for both the School and Kinder community by fundraising funds to buy resources.

The Kinder representatives will be the voice of the Kinder staff and families, and form an important link with the rest of the School Community.

On a personal note, I have never regretted volunteering to help with my own children’s Kinder committees. It was a fun way to make new friends and learn new skills. In fact I have made some lifelong friends and it has strengthened my networking within my own community. Please see Rae if you are interested

**Kinder and Prep Enrolments for 2017**

**St John’s Lollipops**

Last night the Lollipops played Leopold Lightning Storm. The girls played a very competitive game and although they didn’t win, they showed great sportsmanship and improvement in many areas of the game. Well done girls. And thanks to Savannah for filling in for us at the last minute!

**St John’s Swifts**

The Swifts were once again up against the Chilwell Crystals on Wednesday night with all their sweat and might. The Swifts scored one goal against their opponents which didn’t make us winners for the afternoon, but we gave it our best shot.

A special thankyou to our guest players from the Lollipops, Rebekah and Elizabeth, who filled in, whilst a couple of the Swifts were away sick.

Til next week - "GO SWIFTS"!

Parents & Friends News

New Team
Carrie, Sarah and Sally have formed an alliance to take on the role of Fete Coordinator as a team. We are all new to this role and we need the support of the entire School Community to make our Fete a big success in 2016.

Positions Vacant.
The Fete Team still needs people to step forward in a few key roles:

Logistics Coordinator: Liaise with Stall holders and fete coordinators with regards to logistical needs and lead the Set up/Pack up teams. This job could be shared by 2 friends that enjoy working together.

Stall Holders for Stalls in Food Court: Work alongside food court coordinator and Fete Coordinators to oversee planning, setup/pack up and fete day activities of an individual stall in food court (Chips/Donuts and Sushi Stall both need a stall holder)

Coffee Machine Hire and Barristers wanted.
This year at Fete we would love to make more profit from coffee sales. To do this rather than just bringing in a van we hope to source a coffee machine and make it ourselves. Of course we also need a few skilled coffee makers as volunteers. If you have any coffee connections or can make a great coffee please call Sally Fitzpatrick on 0407739413.

Donations needed for Fete.
We are currently trying to source donations for key products for Fete. If anyone has connections with local Fruit and Veg suppliers we need produce for the Fruit and Veg Stall.

To maximise our profits from the BBQ we are seeking donations of meat and bread if anyone has connections in this area.

If you have connections with other businesses you feel could donate or contribute in any way please call Sally.

Fete Planning Meeting will be held on Tuesday 1st of March at 7.30 pm, in the school hall.

Please come along and be part of it. If you plan to come drag a friend along too!!

Silent Auction.

Please start collecting Silent Auction Donations now. The Silent Auction is the biggest money spinner for our Mother’s Day Fete. We need lots of items to make it huge again this year. Grab a letter of introduction from the Office and ask any business you may be linked with if they like to support our School. It’s that easy!

Extend After School Care News

Welcome to week 4.
We had a lot of fun expanding our knowledge whilst exploring Maths, Social development, Science and Food Technology – Ball pit play incorporated a variety of balls from water filled balloons to coloured, textured recycled balls being placed/thrown onto a large coloured parachute, thrown in the air and caught again.

Children worked in small groups to fill zip-locked bags with water from a bucket, many unique techniques were observed on how to contain the water in the bag. Some of us were a little wet during and after base camp bombardier target practice.

We made orange (maybe more yellow than orange) coloured pancakes to celebrate birthdays of the week. Mmm, they were delicious.

Designing and creating Succulent Terrariums is still a work in progress.

Looking forward to our Water Piñata Party on Thursday (please bring a change of clothes - just in case you get wet).

Food Technology on Friday we will be making coloured popcorn creations.

IMPORTANT ANNOUNCEMENT FOR EVERYONE: ALL ASC STUDENTS WILL BE COLLECTED FROM OUTDOOR AREA NEAR THE PREP ROOM.
